Dear Friends of the East Side Soup Kitchen,

The East Side Soup Kitchen (ESSK) is celebrating its 41st year of serving hot and nutritious lunchtime meals to all who suffer from food insecurity within our community. We are proud to continue serving our community's most in need. As we know, the COVID-19 Pandemic has changed the lives of many. Causing many neighbors to seek meals at the soup kitchen for their first time. We served over 113,000 meals in 2020.

This makes our need to continue our mission even greater. Our Golf Outing is our major fundraiser; unfortunately, we were unable to host it in 2020. We are asking for your support in the form of a sponsorship gift for this 19th annual fundraiser. We have many levels of sponsorships. We are relying on you to purchase a sponsorship so we can continue to feed the hungry.

This year we are offering a new \$4,000.00 sponsorship opportunity! Please see details on the sponsorship page. Registration will begin at 8:00 a.m. and shotgun starts at 9:00 a.m. You will receive a complimentary light snack and beverage at the turn. Following golfing, a tasty and refreshing luncheon will be served. All prizes will be given out at the luncheon. This includes individual golfers, teams and the raffle prizes.

Thank you for supporting our efforts to provide meals and hope in the heart of Saginaw.
